

INSTRUCTIONS FOR RE-SCANNING RCA DIGITAL TV CONVERTER BOXES

- *With TV on and viewing the Digital Converter Box, press **MENU** button on converter remote.
- *A list of menu items should appear
- *Press the number **5** on remote
- *Press the number **1** on remote
- *Press the number **1** on the remote once again
- * The screen should now show “scanning” This will continue for a few minutes.
- *When finished, you will see a listing of channels
- *Now press the **MENU** button on the remote 2-3 times until your picture re-appears.

That's it! You've re-scanned your converter box, and the channels should have re-appeared
